PGM Merchandise Show - 2011

At the 2011 PGA Merchandise Show in Orlando, FL, GolfAchiever welcomed thousands of visitors to our booth to show its superior accuracy using Laser Accurate Technology for Long Drive and Closest to the Pin Competitions. Over the course of 3 days, we witnessed Long Drives as far as 416yds and our first ever recorded, hole-in-one!

GolfAchiever Booth - PGA Show 2011

Thank you to all the attendees who stopped by the booth to recognize, the most accurate, affordable, all-in-one, #1 golf simulator!

As a reminder, the PGA Show special continues through this month. Call today for more information!

GolfAchiever & PGM Universities

GolfAchiever is happy to announce, Florida Gulf Coast University as a new member to our growing GA community within the PGM Universities. Recognizing GA SIM as the ultimate golf solution, FGCU PGM program will be using the GolfAchiever to help prepare their students for career in Golf.

Using accurate GA data, students will learn to use the GA system for precise club-fitting measurements; as well as analyzing golf swings using GA Basic & VAS. In addition the students will be using our addictive 3d software, GA SIM, for personal game improvement and entertainment!

The PGA Golf Management University Program, a 4.5- to 5-year college curriculum for aspiring PGA Professionals For additional information about the PGA Golf Management University Program, click [here](#).

Reseller - World Golf @ Denver Golf Show Recap

This past weekend, World Golf (W.G.) of Colorado Springs, CO, exhibited at the Denver Golf Expo showcasing GA SIM and our popular Long Drive Grid

for daily competitions and the results could not have been better! Michael Fontana, owner of World Golf , said it best, "We were busy from the start of the show, till 15minutes after closing. Everyone wanted to hit on GA SIM!" Once again, this shows the addictive power of the GolfAchiever.

World Golf is a GolfAchiever Reseller located in Colorado Springs, CO. To find out more information about their facility, click [here](#).
